

Dear ZENITH Gymnastics Families

It has been a tough few weeks for all of us!

Over the past few days, we have been overwhelmed by many who have given encouragement and support. We have confidence that our community will work through this crisis together.

Last week, we hoped to remain open. As the crisis progressed, it became clear that it was not in the best interest of our students, families or staff to hold classes.

Each family has been impacted in different ways. Kids have missed the gym, and our coaches have missed the kids. In an effort to continue to pay our employees and cover the administrative costs of the facility we will need your support.

We want you to know that we have been working on alternatives that allow both our coaches and our athletes to get through this situation in the best way possible . We would like to offer your kids an alternative of distraction in their homes while also maintaining a good physical condition.

We will not charge any recreational accounts for tuition on April 1st - unless you send us an email or contact us by phone if you are interested in continuing with any of the online live classes. Upon return to normal activities - we will provide make ups for all missed classes during the month of March.

Below there are some programs we will have available via ZOOM app for live classes. This will help your kids not only have some activity but also see some of their friends online and reconnect.

The cost for participating will be:

\$25/month for 1 class per week

\$45/month for 2 classes per week

\$65/month for 3 classes per week

We will also offer prepaid open gyms credits for those of you who would like to help with a \$15. Zenith will be providing the following live online classes via ZOOM application:

Kinder - (3-5years) - level 1, level 2 and level 3 - three times a week

Gymnastics level 1, level 2 and level 3 - three times a week

Tumbling - 2 times a week

Ninja - 2 times a week

Fitness Rumbalates classes - 2 times a week

We completely understand that some families lost their jobs and may have other family emergencies during these hard times and we pray for all of you.

If we do not get a response we will set your account on hold and we will maintain your class spot and no further charges will be incurred till you contact us.

For those of you who would like to join the live classes - please send us an email and we will send you the link necessary to gain access to our ZOOM live classes.

PLEASE CHECK OUR WEBSITE FOR CLASS TIMES AND FURTHER UPDATES.

If other families would like to help us during this times - not in a monetary way but with ideas and suggestion - please send us an email and let us know.

I know we will get out of this stronger - we are gymnasts - we don't give up ! Go Zenith !

Kind regards,
